When autumn sings her lullaby and green leaves turn to gold...

Dear Friends,

Our first concert at the Allen Theater in Annville, PA on Oct 14th was a huge hit. Rufus Reid's Out Front Trio arrived in Central PA after playing two nights at Kitano's in NYC, ready, willing, and able to thrill us. Rufus featured his own compositions as well as a few by pianist Steve Allee. They also performed beautiful renditions of the standards "These Foolish Things" and Eubie Blake's classic "Memories of You". Drummer Duduka da Fonseca showed, once again, that he is a master of Brazilian styles and jazz idioms.

Following the concert in the theater we held a jam session in MJ's Coffeehouse and kept the good feelings going well into the evening. Our thanks to the Allen Theater and our wonderful audience for making it a night to remember. Don't forget that we will host open Jazz Jam Sessions at the Allen Theater on the last Sunday of every month from 6-9:30pm and will return soon to the Theater for another monthly concert.

The Hilton Harrisburg is also hosting Jam Sessions for CPFJ on the Third Thursday of every month.

Collectively, our monthly concerts, jam sessions and newsletters are successfully building a momentum of interest in jazz in Central PA.

Thanks for your help in spreading the word about membership in CPFJ - we now have over 530 active members and are growing at a steady pace every month.

Trying to find a unique gift for the upcoming Holiday season? Give the gift of music! Memberships to CPFJ make wonderful gifts for your jazz loving friends and family. Use the form in this issue of The Vibe, or order them online at our website - www.friendsofjazz.org

If you're planning on giving jazz recordings as gifts - BUY LOCAL and BUY FRESH! Tim Warfield has a new Christmas CD available and will be performing a live CD release concert at the Strand Capitol in York, PA on December 22nd. This "All Star" show will feature Terell Stafford, Stefon Harris, Cyrus Chestnut, Rodney Whitaker, Clarence Penn, and Joanna Pascale.

Other jazz artists in Central PA have Holiday CDs as well - Amy Banks, Steve Giordano (with Bob & Steve Meashey), Third Stream, JazzMe Band, Andy Roberts, and Steve Rudolph.

We are putting the finishing touches on our upcoming Spring Concert Series and we thank Scott Shearer and the Shearer Family Fund for their second annual underwriting commitment. We are looking for concert partners to help underwrite our 2013 Spring and Fall Concert Series - if you are interested, please contact the CPFJ office.

We are also seeking new Board Members for CPFJ as several of our current members are near the end of their term.

Please stay in touch with our events and current news on our web site and Facebook page. We also need your help to keep us informed if your email address changes. Email is the most cost effective way for us to stay in touch, so please let us know promptly of any changes. We thank our printer, David A. Smith Printing, for their contributions and fine work on The Vibe and all of our marketing materials. We will have a new CPFJ brochure soon and you will be receiving a mailing for membership renewal.

Take note that this will be the last newsletter until late December - we include Concert and Club listings through New Year's Eve on pages 4 & 5.

Thanks to all of you, our members, for your continued support!!
Andrea & Steve Rudolph

The Vibe is published monthly at the Central PA Friends of Jazz - 5721 Jonestown Road, Harrisburg PA 17112

CPFJ 2012 FALL CONCERT SERIES CONTINUES....

JACKIE RYAN

Sunday, Nov 11, 3PM

Ware Center

42 North Prince St., Lancaster PA

Jazz vocalist Jackie Ryan has been thrilling audiences across the globe with her powerful 3 ½ octave range and her amazing stage presence. She has developed a style that is uniquely her own. Born of a Mexican mother who sang in operettas and an Irish father who sang classical tenor in many languages, she was, as one critic put it, "simply born to sing." She has sung all over the world from the famous Ronnie Scott's Club in London (where she was asked to record for their label) to Jazz at Lincoln Center and Birdland in New York to Oakland's Yoshi's, as well as many of the major jazz festivals.

Her style includes an amazing range from gospel and blues to Brazilian Bossa Novas. From Latin to Bebop, from Vocalese to the most heartfelt ballads. She sings in several languages. *"Everything she sings comes off beautifully, with amazing control. If she sings loud and brassy, she nails it; if she goes soft and silky, she owns it."* (Baker and Taylor's CD Hotlist review)

Jackie's latest double CD, **DOOZY**, featuring Cyrus Chestnut, Eric Alexander, Romero Lubambo and Jeremy Pelt, has garnered overwhelmingly positive reviews as well as 4-stars (excellent!) from both DOWNBEAT and All Music Guide, and held the #1 position nationwide on JazzWeek's industry-standard chart for 7 solid weeks - an extraordinarily rare achievement (only one vocal recording ever matched that: Diana Krall's, "From This Moment On").

Jackie Ryan was a featured artist on NPR, Voice of America, CNN Español, and PRIMETIME A&E. She has shared the stage and/or recorded with: Clark Terry, Toots Thielemans, Barry Harris, The Jeff Hamilton Trio, Amina Figarova, Cyrus Chestnut, Terry Gibbs, Eric Alexander, Buddy DeFranco, Red Holloway, Romero Lubambo, and Jon Hendricks, to name just a few.

She is "one of the outstanding jazz vocalists of her generation and, quite possibly, of all time. She is the thoroughbred vocal equivalent of the Triple Crown, rivaling the dexterous sass of Sarah Vaughan, the instinctive smarts of Carmen McRae and the scintillating verve of Diana Krall." Christopher Loudon, JAZZTIMES

Jackie currently lives in San Francisco and will bring her East Coast Trio to the Ware Center.

Tom Lawton - piano; **Lee Smith** - bass; and **Dan Monaghan** - drums.

Our featured youth band will be the exciting Central PA jazz quartet **META4**. Meta4 is something seldom seen - a working jazz quartet consisting of all teenagers. Together for four years, Meta4 is an exciting straight-ahead ensemble that plays classic tunes by jazz's best artists, such as Miles Davis and Sonny Rollins, and popular standards. Meta4's members all seniors in high school are **John Gingerich** (bass), **Ted Groth** (guitar) and **Colin Mekeel** (alto sax, piano) from Manheim Township, plus **Fred Griggs** (drums) from Carlisle. All four placed first in this year's District Jazz Band auditions, while Ted and Fred placed first in the 2012 All-State Jazz Ensemble competition. Meta4 plays several times a month at local restaurants, libraries, retirement communities, private parties, churches and elsewhere.

This is our third CPFJ concert in the fabulous Steinman Hall in the Ware center in Lancaster, PA. Tickets (Adults \$22, Students \$10, Members \$18, will be available at the door or may be purchased in advance at 717-540-1010, www.friendsofjazz.org or from the Ware Center - <http://muticketsonline.com>
